

ANSWERS TO FREQUENTLY ASKED QUESTIONS

What happens during my reading?

A. Aynne first takes your information, being the date, time and location of your birth. **If you don't know what time you were born, please try to find this out before coming in. She then works up an astrology chart and sets up the board. During this time you are shuffling the tarot cards in preparation of your part of the reading, silently concentrating on your questions. After the data is entered, the board set up and the cards well shuffled the reading begins. The system that Aynne invented to use for these readings is pretty inclusive, involving many different areas of your life that will be covered.

How long will my reading be?

A. Most readings last 30 minutes. Some readings do go beyond that time. Aynne is watchful of your time and will let you know when you get to the 30 minute mark, and will ask if you if you want to continue.

How much is the reading or the Reiki Treatment?

A. Readings or treatments run \$60.00 for the first half hour. You will be asked if you want to continue past that point, if there is need. The rate beyond the 30 minute mark is \$2.00 a minute past that time.

Can I ask questions?

A. There is time to ask questions at the end of the reading. Most clients say that most of their questions were already answered during the reading. You are asked NOT to interrupt during the reading. For the best quality reading you can receive, please adhere to this.

I have a particular problem that I want Aynne to address. Can she just concentrate on that?
