

Take note.

On January 30, Aynne shared the following prediction:

"THEY seemed focused on other things on Thursday Jan 27, 2014. For a couple of weeks now, THEY have been showing me a train...one minute it is on the tracks...and the next minute, it isn't. It is just the same scene over and over.

Boulder smashes French Alps tourist train; 2 dead

Feb 9th 2014 2:39PM
